PUBLIC HEALTH NURSING

Saddle River Clinic: Clinic was held for BP screening on April 16 but had very poor attendance. We used to have the employees come but no one came up from the offices for this clinic. If they prefer a different location, it may encourage more attendance from the community. There was very little attendance.

School Audit:

Saddle River Day School was planned for audit but needed to reschedule for May.

Wandell Elementary immunization Audit Update:

School nurse updated that the student with the outstanding dose of MMR did receive the vaccine. Nurse will be forwarding the documentation.

049-19I – Police Department: Officers arrested an individual with possible scabies and MRSA. Requesting guidance on transmission prevention.

8/4/19: Both REHS and the Health Officer provided guidance on decontamination of vehicle and clothing. Also, informed the officers that both scabies and MRSA are transmitted via person to person contact i.e. touching open wounds. Advised officers to use EPA approved disinfectant for vehicle and to wash clothes in hot water and dry in high heat or professionally dry clean. Also, advised them to check with exterminator for treating vehicle or cells where individual stayed.

PRIVATE WELL CONSULTATIONS: 3 PWTA consultations.
